OBJECTIVE

Hard worker with technological experience, a people person, seeking position at SportChek as a part time worker.

WORK / VOLUNTEER EXPERIENCE

Backshop Employee — Merry Hill Golf *May 2020 – Present*

I have accumulated over 700 hours working as a backshop employee at Merry Hill Golf Club this past summer, learning many skills such as customer service, responsibility, and cooperation. It was a great experience getting to know both customers and my co-workers, as well as learning skills that can easily translate into any workplace.

Umpire — WMBA *May 2017 – May 2020*

Have been a paid umpire for the Waterloo Minor Baseball Association for over three years, contributing to the baseball program for junior athletes.

EDUCATION

Bluevale Collegiate Institute *September 2018 - Present*

Completed five terms with Honor Roll marks in all, and I Have been chosen for both Science and Mathematics Advanced Placement and been offered many leadership courses and opportunities.

EXTRACURRICULAR ACTIVITIES

DECA

DECA is an international business competition, in which I advanced to the provincial competition which was held in Toronto. It teaches quick thinking in the business environment, and people skills in the business world.

Choose to Lead

Choose to lead is a four-year program run by Bluevale Collegiate. It encourages leadership in students and is designed to push them to their potential. One signature program the Choose to Lead class is involved in is the Duke of Edinburgh's award, dedicated to encouraging giving back to the community and developing young adults as a people in society.

FIRST Robotics

FIRST Robotics teams design and build robots for a competition, in which my team advanced to the world championships in Detroit. I worked to recruit and communicate with sponsors and companies on behalf of the team. It has taught me many skills which are transferrable to the workplace, including communication, respect, and teamwork.

SKILLS

I am proficient in using software tools including Google Drive, Word, Excel, PowerPoint, and OneDrive.

I have been certified in First Aid since 2016.

I have developed skills in other technological programs, such as DaVinci Resolve and SolidWorks CAD (Computer Assisted Design), Python, and Java.

I have developed teamwork skills over the years from being involved in many extracurricular programs both in and outside of school.

AWARDS / ACHIEVEMENTS

Duke of Edinburgh

I was awarded the Bronze and Silver Duke of Edinburgh award for community involvement and personal growth, and am currently working towards my Gold Award.

SHAD Valley

I have been accepted into an intensive and competitive business and science program, lasting a month in the summer.
