OBJECTIVE

Hard worker with technological experience, good with people, seeking position at Merry Hill Golf Club as a part time worker.

WORK / VOLUNTEER EXPERIENCE

Umpire — WMBA

May 2017 - Present

Have been a paid umpire for the Waterloo Minor Baseball Association for over three years, contributing to the baseball program for junior athletes.

Golf Camp Volunteer — Merry Hill

September 2018 – December 2018

Assisted Carly Peister in her golfing camp for 2 weeks at Merry Hill Golf Club, helping younger students learn about golf and improve their skills. Along the way I learned skills such as leadership, responsibility, and mentorship. This also contributes to over my 145 hours of community involvement that I have accumulated in just over year.

EDUCATION

Bluevale Collegiate Institute

September 2018 - Present

Graduated ninth grade with Honour Rolls in both terms. Have been chosen for both Science and Mathematics Advanced Placement and been offered many leadership courses and opportunities.

EXTRACURRICULAR ACTIVITIES

DECA

DECA is an international business competition. Advanced to the provincial competition which was held in Toronto. It teaches quick thinking, and people skills in the business world.

Choose to Lead

Choose to lead is a four-year program run by Bluevale Collegiate. It encourages leadership in students and is designed to push them to their potential. One signature program the Choose to Lead class is involved in is the Duke of Edinburgh's award, dedicated to encouraging giving back to the community and developing young adults as a people in society.

FIRST Robotics

FIRST Robotics teams designs and builds robots for a competition, in which my team advanced to the world championships in Detroit. Worked to recruit and communicate with sponsors and companies on behalf of the team. Has taught many skills transferrable to the workplace, including communication, respect, and teamwork.

SKILLS

Proficient in using software tools including Google Drive, Word, Excel, PowerPoint, and OneDrive.

Have been certified in First Aid since 2016.

I have developed skills in other technological programs, such as DaVinci Resolve and SolidWorks CAD (Computer Assisted Design), Python, and Java.

Developed Teamwork skills over the years from being involved in many extracurricular programs both in and outside of school.

AWARDS / ACHIEVEMENTS

Duke of Edinburgh

Was awarded the Bronze Duke of Edinburgh award for community involvement and personal growth, and am currently working towards my silver award.

SHAD Valley

Accepted into a intensive and competitive business and science program, lasting a month in the summer.
