provincial competition which was held in Toronto.

September 2018 - June 2019

Concert Band

- I was part of a concert band at BCI. We had many shows put on for BCI, as well as the general public. I learned the saxophone, and went from no knowledge to playing in concerts in three months.

September 2018 - June 2019

Science Club

- A club dedicated to leaning, and we competed in multiple competitions.

August 2018 - Present

Robotics Team 2702

- My robotics team designs and builds robots which then compete in a competition hosted by FIRST Robotics. This year, we qualified to the world championships in Detroit, and made it to the Semi-Finals. My role on the team was mainly mechanical, building parts. I was also part of the business team, which works to recruit sponsors and earn grants.

September 2018 - June 2022

Duke Of Edinburgh's Award

- An international award dedicated to encouraging young adults to give back to the communtiy, and develop as a person. I have completed my Bronze Award, and I am currently working towards achieving my Silver.

September 2018 - June 2022

Choose to Lead Program at BCI

- Choose to Lead is a four year program run by BCI. It has over 140 applicants, and only 34 qualify, one of which was me. It encourages leadership in students, and pushes many extra-curricular activities on students to push them to their potential.
