Dear Owen:

Congratulations! I am pleased to welcome you to the Bachelor of Engineering program at Carleton University. Your impressive academic record has also earned you a scholarship offer and entitled you to receive an offer of residence.

Important information regarding your offer of admission is enclosed. We ask that you review this information carefully and take special note of any further requirements that are necessary for you to maintain this offer of admission. The offer of residence letter that is included in this package also includes important information, especially regarding the deposit that is required to secure your residence.

Our innovative academic programs are taught by outstanding faculty who are known for connecting their world-class research to learning opportunities in the classroom. In addition, we provide unique service learning opportunities to help you make connections to your classroom learning and contribute to your community. Finally, if you are interested in co-operative education and work placements, Carleton has built strong ties to federal government departments, research laboratories, the diplomatic community and the region's many high tech companies, giving you the chance to integrate your academic studies with workplace experience.

Carleton also offers a comprehensive range of support services designed to assist you in making a successful transition to university studies. To get you started on the right foot, our Student Experience Office provides summer orientation sessions. At these sessions, you will find out about the campus services available to you, get assistance with educational planning and much more. Visit carleton.ca/seo for details on the dates and times of the summer orientation sessions as well as other programs offered by the Student Experience Office.

If you have any questions, please feel free to call Admissions Services at 613-520-3663, toll-free in Canada at 1-888-354-4414, or email us at admissions@carleton.ca.

Best wishes for continued success with your studies.

Sincerely,

A handwritten signature in blue ink that reads "Suzanne Blanchard".

Suzanne Blanchard
Vice-President (Students and Enrolment) and University Registrar

Bachelor of Engineering Software Co-operative Education First Year, Fall 2022 Term

- ✦ This offer of admission is made on the basis of your interim or midterm grades. It is conditional upon your final grades meeting the minimum requirements for this program and successful completion of your high school diploma. An official report of the final grades for your current studies is required to maintain this offer. For important details on the minimum averages required to remain admissible to your program, please review the program requirements at: admissions.carleton.ca/maintainingyouroffer.
- ✦ This offer is valid only for the term specified above, and for this program only. Your program is governed by the Carleton University rules, regulations and program requirements as specified in the corresponding **Undergraduate Calendar**, available at: calendar.carleton.ca/undergrad. Changes to any part of your program will affect your remaining program requirements, and will require a reassessment.
- ✦ All Carleton programs require students to achieve and maintain minimum averages for Good Academic Standing. To remain in your program and be eligible to graduate, you are required to meet all program requirements as outlined in the corresponding calendar entry for your program and/or program elements (major, concentration, etc.). These requirements can be viewed at: calendar.carleton.ca/undergrad.
- ✦ As a Carleton co-op student, you will have access to resources and support of the University's Co-operative Education Office to assist you in securing job opportunities related to your field of study. Please note that admission to co-op does not guarantee participation in the program. To obtain information about participating in co-op please visit the co-op website at: carleton.ca/co-op.
- ✦ If you have been admitted with transfer credits from previous studies and are planning on participating in co-op you must contact the Co-operative Education Office as soon as possible to determine your work/study path.
- ✦ If you attempt any studies – secondary or post-secondary – before registration, you must arrange to have a final official transcript sent to Admissions Services.
- ✦ If you are an Ontario resident and need help paying for your education, the Ontario Student Assistance Program (OSAP) may be able to help. Go to ontario.ca/osap to see how much you could get and to apply.
- ✦ Information on registration, course selection, and academic advising will be sent to applicants who have accepted their offer of admission, and can be found at: admissions.carleton.ca/fall-registration.

Entrance Scholarship Valued at: \$16,000
\$4,000 in the first year
Bachelor of Engineering

- * We are offering you a renewable Entrance Scholarship valued at \$16,000.
- * Your scholarship for this year is payable if you register in a full course load (minimum 4.0 credits) starting this September.
- * This scholarship is offered to students entering Carleton University in 2022-2023 with excellent academic standing.
- * You will receive \$4,000 of this scholarship in the first year. The scholarship is renewable at \$4,000. To renew the scholarship, you must register in and complete a full course load (minimum 4.0 credits) in the Fall/Winter session and maintain an annual Grade Point Average (GPA) of 10.0 or better.
- * If you do not meet the academic requirement for renewal, the scholarship can be regained in a subsequent year within the first four years of undergraduate study.
- * If you are an Ontario student applying for OSAP, you are not required to report this award on your OSAP application. The Awards Office will update your OSAP application with all Carleton University awards that you have been offered.
- * Your acceptance of our offer of admission also confirms acceptance of our scholarship offer.
- * Questions regarding your scholarship offer should be directed to the Awards Office, by phone at 613-520-3600, or by email at awards@carleton.ca.

Bachelor of Engineering
Software
Co-operative Education
First Year, Fall 2022 Term

We are pleased to offer you residence accommodation at Carleton University for the academic year 2022-2023.

As of **February 1, 2022 at 10:00 a.m. (EDT)**, the online residence application system will be available for first-year students offered a guaranteed space in residence.

To accept your offer of residence:

1. Accept your offer of admission to Carleton University.
2. Visit the Housing website at housing.carleton.ca and click on *First Year Guaranteed Students*. Once you have read the information you are ready to click on the link to Carleton Central from our website, and proceed to accept your offer of residence by paying the required deposit and completing the online application.

The \$700 deposit is payable by either credit card or Interac. **For either method, payment must be made online through Carleton Central, and not directly from your bank.**

First-year guaranteed offers must be confirmed online by **4:30 p.m. (EDT), June 8, 2022**. If you have not confirmed your offer of guaranteed residence and paid your deposit by this time and date, the space will be offered to another applicant.

Get the latest information on other important dates by visiting the Housing website regularly at housing.carleton.ca.

If you have any questions regarding this guaranteed residence offer, please contact the Housing and Residence Life Services by email at accommodations@carleton.ca or telephone at 613-520-5612. The office is open Monday to Friday, 8:30 a.m. to 4:30 p.m.

We are very excited to welcome you to Carleton and hope that you are interested in becoming a member of our residence community.
